

“We need the
entire community
to come together
to build and
strengthen our
digital resilience.”

DIGITAL FOR LIFE MOVEMENT

To build a **digitally ready and inclusive society**, ensuring no one is left behind.

The Digital for Life (DfL) national movement, launched by President Halimah Yacob on 8 February 2021, aims to galvanise the community across the 3Ps (People, Private, Public) to help Singaporeans embrace digital as a lifelong pursuit and enrich lives through digital technology.

The Digital for Life Fund is established as the flagship fund under the DfL movement. All donations go towards supporting projects that help Singaporeans access digital and keep pace with technological transformation. All donations received will be matched dollar-for-dollar by the Government.
