

SG Digital

Starter Kit on
EZ-Link app

DID YOU KNOW?

You can use the EZ-Link app to conveniently top-up your card at the comfort of your home, check the transactions and card balance of your cards. Download the app today to find out more!

STEP 1 Install the EZ-Link App on your mobile phone

Go to the **Apple App Store**  or **Google Play Store**  to download the **EZ-Link App** and launch the application.

1. For iOS users, tap on **'Get'** to download the app.
2. For Android users, tap on **'Install'** to download the app.

STEP 2 Launch the app, sign up and register for an account

3. Launch the app and tap on **Register** to create an account.

4. Type in your **name**, **Email** and current **mobile number**. Tick the terms & condition check box. Click **Next**.

5. Enter the **OTP** that was sent to your phone.

6. Create a **New Password**, repeat password under **Repeat New Password**. Tap **Next** and you are Done!

STEP 3 Express Top up for NFC enabled Devices

7. Select Express Top up Option and key in CAN ID.

8. Selects Top-up option in card detail page.

9. Selects preferred amount for Auto Top-Up.

10. Syncs card to the device's NFC location

11. Balance is updated with top up amount

Cyber security tips

- Download apps only from official sources.
- Remember to update your software regularly to protect your devices from known security vulnerabilities.
- Never disclose your OTP, password or other personal details with anyone or unknown websites.
