Starter Kit on
Shopee

DID YOU KNOW?

Shopee offers variety of promotions and discounts in a form of coins or vouchers. You can use them to offset your payments.

STEP 1 Install the Shopee App on your mobile phone

Go to the **Apple App Store**  or **Google Play Store**  to download the **Shopee App** and launch the application.

1. For iOS users, tap on **'Get'** to download the app.
2. For Android users, tap on **'Install'** to download the app.

STEP 2 Sign up and register for Shopee

3. Launch the app, tap on **'Me'** at the bottom right, then, tap on **'Sign up'** at the top right.

4. Type in your **'Mobile'** number, Tap on **'Next'**.

***Only tick the checkbox if you wish to add credit into your Shopee account.*

5. A pop up box will appear. Key in the code as it appears and tap on **'OK'**.

6. Key in the 6-digit **'OTP'** that was sent to your mobile number and tap on **'Next'**.

7. Key in a **'Password'** and tap on **'Sign up'** to complete your registration.

STEP 3 Make payment on Shopee

8. Search for the product you want in the search box and tap on the product you want.

9. Tap on **'Add to Cart'** to add the product to your shopping cart.

10. Tap on the cart icon located at the top right hand corner to review your items.

11. Tap on the box to mark the items you want to purchase.

12. Before you place order, ensure to input your correct delivery address and your preferred payment method.

Cyber security tips (Credit: CSA Singapore / GoSafeOnline)

- When setting a password, ensure it is a strong Alpha Numeric Password.
- Do not reveal your OTP to anyone for secured access of credit card transactions.
- Beware of scam adverts involving Shopee. Some adverts advertise Jobs where you can earn good money per day, but they require you to transfer your own cash to a random bank account. Do not trust the source.
